

### REMARKS

The present Amendment cancels computer processor and computer program product claims 16-18, 20-23, 34-36 and 38-40, leaving only method claims 1-3, 5-7, and 31 present in this application. Applicants wish to file a Continuation application with the claims canceled herein.

During a telephone conversation with Examiner Li on November 28, 2007, the Examiner indicated that she believed that this Amendment would be entered, as Applicants are only requesting that claims be canceled.

For the above reasons, Applicants respectfully request entry of this Amendment pursuant to the provisions of 37 C.F.R. § 1.312 without withdrawing the case from issue. The Examiner is invited to call the undersigned at the below-listed telephone number.

DATE: November 29, 2007

Respectfully submitted,
